

## **PRESS RELEASE**

### **ASUCplus CHARITY GOLF DAY IN SUPPORT OF THE LIGHTHOUSE CLUB**

ASUCplus – the Specialist Underpinning association – is delighted to be hosting a charity golf day on behalf of the constructions industries own charity – the Lighthouse Club.

The golf day will take place on Thursday 9 June at the prestigious Belfry Hotel near Sutton Coldfield. Set in 550 acres of English countryside (yet only minutes away from major transport links) the Belfry is synonymous with the Ryder Cup and one of the world's most famous golf destinations.

The day will begin with sandwiches and refreshments and following 18-holes of golf on the Derby course there will be a three course dinner in a private suite at the Belfry.

For further information on the day go to [www.asuc.org.uk/ASUCGolfDay2011.html](http://www.asuc.org.uk/ASUCGolfDay2011.html) or call ASUCplus on 01252 471613.

The Lighthouse Club is the construction industry charity, providing support for construction workers and their families if they get into financial difficulty due to illness, accident or bereavement. Through a network of branch welfare officers the fund gives 94 pence of every pound raised to families in need.

#### **Notes to editors:**

ASUCplus is the only association representing specialist contractors in subsidence repair techniques and engineered foundation solutions. The latent defects insurance can cover all the works carried out under contract at a property - not just the subsidence repair. Members of ASUCplus offer an extended range of foundation solutions, including new build, basements and other forms of subsidence repairs.

Members of ASUCplus are subject to annual health and safety reviews, are audited for technical expertise by an independent assessor, are monitored for financial probity and all share the common goals of setting the benchmark for standards within the industry, to lead in providing innovative solutions and maintain skills levels through education and training.
