

## PRESS RELEASE

---

### **ASUCplus CHARITY GOLF DAY RAISES OVER £1,500 IN SUPPORT OF THE LIGHTHOUSE CLUB**

ASUCplus – the Specialist Underpinning association – held a very successful charity golf day at the Belfry this month on behalf of the construction industry's own charity – the Lighthouse Club. Over £1,500 was raised during the course of the day and at the dinner in the evening.

The tournament was held on the Derby course at the prestigious Belfry Hotel near Sutton Coldfield.

The following were the winners, who were presented with their prizes at an evening dinner held in the Sutton Suite overlooking the fountain and famous greens of the golf course.

Winning Team – Delta Membranes Team  
Runner Up – Falcon Structural Repairs Ltd

Individual 1st – Paul Nottage – Delta Membranes team  
Individual 2nd – Paul Tucker – Falcon team  
Individual 3rd – Brian Davison – Delta Membranes team

Nearest the Pin – Paul Nottage – Delta Membranes team  
Longest Drive – Andy Parks – Geostructural Solutions team

The Lighthouse Club is the construction industry charity, providing support for construction workers and their families if they get into financial difficulty due to illness, accident or bereavement. Through a network of branch welfare officers the fund gives 94 pence of every pound raised to families in need.

#### Notes to editors:

ASUCplus is the only association representing specialist contractors in subsidence repair techniques and engineered foundation solutions. The latent defects insurance can cover all the works carried out under contract at a property - not just the subsidence repair. Members of ASUCplus offer an extended range of foundation solutions, including new build, basements and other forms of subsidence repairs.

Members of ASUCplus are subject to annual health and safety reviews, are audited for technical expertise by an independent assessor, are monitored for financial probity and all share the common goals of setting the benchmark for standards within the industry, to lead in providing innovative solutions and maintain skills levels through education and training.
